President's Message

Thank you to all who attended the last meeting of the 2014-2015 season. We had some good laughs and a very entertaining talk and slide show about the Antarctic by Gary Williams. Carol Chesham gave a heartfelt report about Valley Outdoor Club. Check out their website at <http://valleyoutdoor.org/>

I would also like to thank two teams who volunteered to lead day trips next year! Wendy Thompson and Lou Kaiser said they would be happy to go to either Manning or Callaghan Valley. Harry Hardie and Avril Peshee are also volunteering to be a trip leading team.

Thanks also to Leslie Rodgers, Kelly Hoag, Yvonne Simkin, Debra Dantonio, Anne Smith, Jana Abramson and Jim Gorton who have volunteered to help with trip sign ups before meetings.

We are still looking for a volunteer to fill our vice-president vacancy. Perhaps an outline of the duties, would tempt a kind hearted volunteer to come forward. We need bus company contact and call to confirm or cancel trips. Proofreading the website and comparing facts newsletter proclamations would also be appreciated in the future--a new task! If necessary, the vice president would fill in for the president at meetings and be a sounding board for ideas. By the way, the vice-president is not automatically promoted to president.

Give me a buzz if you have any questions.
