Mid February 2015

### President's Message

I have a message from our trip leader:

The trip to Manning on Sunday, **February 15 is reluctantly cancelled.** Over the last few days ski condition have deteriorated from very good to fair. There has been no recent snow and none in the forecast. Parts of the trails are closed and others covered in pine needles etc. Callaghan is also closed so we don't have an alternate venue. Best to spend your money on your Valentine (or frustrated trip leader). Your cheques will be destroyed on February 19 unless I hear from you.

Cheers
