President's Message

Hello everyone!

The first meeting of the Nordic Wrecks X-Country Ski and Snowshoe Club winter 2015-16 season will be held on November 2 in the Dogwood Pavilion, 624 Poirier Street, Coquitlam. Our formal meetings start at 7:30 but come at 7:00 pm with your [membership form](#) filled in to get your membership card. We can issue your membership card quickly and then you can sign up for trips if you bring your membership card already filled out and your cheque made out to Nordic Wrecks. You can get our membership form at our website www.nordicwrecks.org

Refreshments will be available and we will try to start the meeting at 7:30 pm. Anders from Sigge's will be our guest. He will be bringing the latest and greatest in the world of skis, equipment and clothing at 8 pm so come early.

I would like to thank the executive for volunteering this year:

Membership

You'll need to present your membership card when signing up for trips. We've been a bit relaxed about this but for insurance purposes we must ensure that all participants on our trips are club members. Volunteers will be sitting at the side tables so bring your calendars and cheque books to the meeting. Our

membership fees are staying the same: \$25 for adults, \$20 for seniors (65 years and older) and children (12 to 18 years of age) while children under 12 are \$15.

You can postdate your cheques but if you are signing up for the Silver Star trip in January, your cheque needs to be dated December 1st or earlier to meet hotel's payment requirements. For the March 5 weekend trip to Manning Park, we need your cheque dated February 1st, 2016

Trip Information

PARKING: Our usual parking lot is no longer available!
 Our new parking is the southeast corner of the Lougheed Town Centre Mall right at the corner of Austin and North Road. This corner of the parking lot is across the street from the Esso station and kitty corner to Denny's. It is NOT the under covered parking lot...sorry folks. The Mall's administration is allowing us to park for an extended period here for free only on trip dates. Mall security will periodically monitor the lot but they will not take any responsibility for break ins or damage to our vehicles. We are parking there at our own risk. Check the website for a map and photo.

ACCOMMODATION - All our trips are priced at cost for the bus and hotel rooms. It is your responsibility to arrange roommates. Please work with the trip leader to see what can be arranged if you are having difficulties finding a roommate.

EARLY REGISTRATION - On weekend trips to Silver Star, Sun Peaks and Manning Park, it is important to sign up at the November or December meeting as hotels have costly policies for cancellations. We need to decide well in advance if we have enough people to make the trip a GO. As you may appreciate, we are a nonprofit group and as such we cannot afford to pay late room cancellation fees.

Here is some information about our trips. We don't have trail fees as winter crews were not available at the time of this print. Stay tuned to our website for more details nordicwrecks.org

Bus information

Some people come early because they want specific bus seats while others are happy where ever they sit. Others save seats for their friends. It has been our custom that people sitting in seats outbound have the same seat inbound.

Please let your trip leader know if you want a seat saved for you.
