President's Message

Hello

oh dear, another chance for an error free President's message has slipped through my fingers. My apologies for any confusion that may have occurred from the last newsletter. Perhaps this club needs a vice-president more than I think!

Wendy is leading a trip on Sunday, January 10, 2016 (not a Saturday) to the Callaghan Valley.

Trips for Manning will be leaving the southeast corner of the Lougheed Mall at 7am

This is how it should have read:

Day trips

Callaghan Valley

7:00 am SE corner of Lougheed Mall

7:20 am St David's Church Taylor Way and Upper Levels Hwy (Park on the road)

Manning Park

7:00 am SE corner of Lougheed Mall

7:30 am 232nd St. Chevron Station (Park on the road)

7:45 am Whatcom Rd (Park on the gravel parking lot across from Tim Horton's)

Thanks for your patience and understanding.

I also wanted to mention that Sigge's is having a sale:

Until October 31st, all skis, boots, bindings & poles are **marked down** from 10% OFF on brand new 2015-16 inventory and up to 30% OFF on older stock. Last season's apparel is also reduced from 20-50% OFF! Shop early for the best selection.

See you on November 2nd at the Dogwood Pavilion at 7:00 pm for the membership and trip sign up, 7:30 for the regular meeting with Sigge as a guest. Bring along a couple of loonies for the door prizes.
