President's Message

Hello Nordic Wrecks Members,

This busy time of year has got us going to many lovely places with friends and family.....but the trip to Lost Lake on December 18th is not one of them! So without a full compliment of passengers, this trip is cancelled. Thanks to Kelly and Leslie for volunteering to lead this trip for us!

Our next trip is to Manning Park with Jeff on Saturday, January 7th, 2017. You won't be able to sign up at the next meeting because it is the Monday after this trip....so give Jeff a call at 604-553-4312. We need to know our numbers for this trip by 6 pm on Friday, December 30 for the bus. Thanks!

Our next meeting is Monday, January 9th in the Mike Butler room at the Dogwood Pavilion. The meeting starts at 7:30 pm but come early for some refreshments or to sign up for a trip. Lionel will give a short talk about snowshoeing and Louise will share some of her biking trip highlights. Of course, we have some door prizes!

Our trips!

Saturday, January 7, 2017 to Manning with Jeff 604-553-4312

Saturday, February 25th to Manning Park with Kathy 604-839-2776

Our Silver Star trip is full and we still have some spots on our trip to Sun Peaks on February 3, 4 & 5. Give Leslie a buzz at 778-398-2080

March is a long way off but why not go for an overnight blast to Manning with Sue Snelling on the 4th & 5th....give her a call at 604-939-0013

Three of us Nordic Wrecks got together for a midweek ski at Hollyburn. We carpoled and enjoyed a sunny day in snow covered trees and set tracks. The new lodge is set to open December 20th! The lights inside were on so they must be applying the finishing touches! If this kind of impromptu trip appeals to you drop me a line (kleko@telus.net) and I'll put on you on our email list. If you want to go up to Cypress, put a call out and others may want to join you.

Merry Christmas! All the best for 2017!

Kathy
