President's Message

Happy New Year!

Our next trip is to Manning Park with Jeff on Saturday, January 7th! This trip is a go but we still have room...so call Jeff at 604-553-4312.

Our next meeting is Monday, January 9th in the Mike Butler room at the Dogwood Pavilion. The meeting starts at 7:30 pm but come early for some refreshments or to sign up for a trip. Lionel will give a short talk about snowshoeing and Louise will share some of her biking trip highlights. Of course, we have some door prizes and refreshments!

Our next meeting is the AGM...yes, the meeting where everyone looks at their hands when it comes to asking for volunteers. Why not consider joining the executive this year? Do you have any ideas on attracting members to our club? Are you more interested in weekend trips or day trips? Is there a new destination you have experienced the club should try? As my yoga instructor says: open your hearts to new opportunities! I am ready to be past president.
